DID YOU KNOW.....
that over 3,000 unwanted and homeless cats & dogs are euthanized each year in DC?

Be A Responsible Pet Owner.
Neuter and spay—
it's the kindest way.

Contact your Veterinarian for assistance or call the DC Animal Shelter at (202) 576-6664

District law requires that all cats and dogs over 4 months old be vaccinated against rabies.

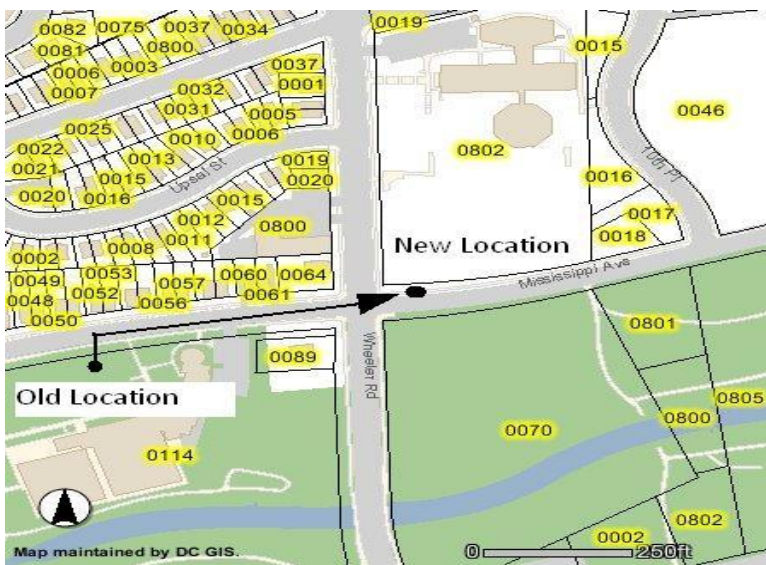

District law requires that owners license their dogs & ensure that the dogs wear the license tag.

- Dogs must be secured on a leash and cats must be secured in a carrier box.
- All pets must be brought to the clinic by a responsible adult.
- Cats and Dogs must be at least three (3) months old to receive a rabies vaccination.
- The cost of a dog license is \$15 for a spayed or neutered dog and \$50 for an unspayed or unneutered dog.
- Make checks or money orders payable to "DC Treasurer". **NO CASH ACCEPTED.**
- Microchipping (where available) is offered by the Washington Humane Society and costs \$35 per pet (cash only).
- If your pet has been vaccinated before, please bring the vaccination records.
- You must sign in 15 minutes before the end of each clinic to receive service.
